I've searched long and hard, on the clouds and on my drives, to compile my slamming videos. These are the majority of my videos. Some have unfortunately been lost, but this is most of them.

It's over 300 pages of videos!

These videos were recorded between the year 2013 to present.
They were shot in various locations from a park, motel room,
a friend's basement & everywhere I slammed where I had my phone's camera available.
I do apologize for the quality of some of the videos. Due to some of the circumstances, they were shot with either a bad camera or with poor lighting.

You may be wondering WHY I started recording myself slamming... Well, It all started back in 2013 when a buddy showed me this website called get2thepoint. This site was a fraternity for guys who SLAMMED. It was a different from any other type of gay men's social sites. It openly talked about slamming and getting high. *"Getting 2 the Point"* was a ballsy new website that gay guys who SLAMMED could be themselves. You can meet, chat, view photos and share videos. However, I noticed that the all the videos that were being posted by the users were missing something. None of them showed their face. You couldn't see their facial expressions after the slam. Plus, the videos were shot close up of the injection only and it usually ended immediately after it was done. They lacked the emotion

and reaction of the person that was slamming. Perhaps out of fear of being seen on video doing something that is illegal or being looked down upon in society. That did not deter me and only made me want to do it even more. I like going against the norm and doing something that no one else was doing. Plus, I knew that I could do better videos, I didn't care of any conciecaeises. Initially It was going to be a just a few videos, but the first video was a hit. Guys from all over were were writing me telling how much they liked them. It took off with popularity that unexpected.

A short time later ***get2thepoint*** ended and was shut down.

I eventually started posting my videos on *Tumblr* up until I began to get banned.

Yeah, *Tumblr* lamely changed their policy and started censoring a lot of the videos on their site, including mine. I must say that it was a very unwise decision.

Tons of subscribers, including myself, left after that.

I had my videos on *Pornhub*, *but in April of 2020,They started to ban my videos as well.*

They changed their policy.

I'm now on a limited amount of various websites. But...

BUT MY VIDEOS ARE On HERE!!

Currently, I have over a **300 pages** of these videos!

That is the truth too! I have recorded a hell of a lot of videos. *(perhaps too many)*...

but you can see them here.

To see these videos, all you have to do is **click the devil** below.

He is holding a syringe and he'll lead you to my collection.

I hope you enjoy.

+++UPDATE MAY 2021+++

I'm stoked!

I believe that I have found a site that would allow my videos to be featured.

I been searching for quite some time for a website

that would allow my videos

& wouldn't eruply shut me down or delete them like

Pornhub and *Tumblr* did.

-Such Dickheads!

The site is barebackbastards!

If you'd like to see more of my videos...

Cruise over to barebackbastards.com.

and look.

I don't have a direct link to my profile quite yet, but im sure you'd find me doing a search.

Just search

"*bbcumboi*", "*sketchslam*"

and/or"*LAcumBoy"*

I'll be there.

**BUT MOST IMPORTANTLY:

I'd like to thank all my fans out there. Your letters I've received from you have been inspiring, sweet and very kind...you guys are amazing!

Thank you very much!! I appreciate you a lot!

I love you guys!

Take care,

-BBcumBoi
